THE SHINING
CLASSIC HORROR

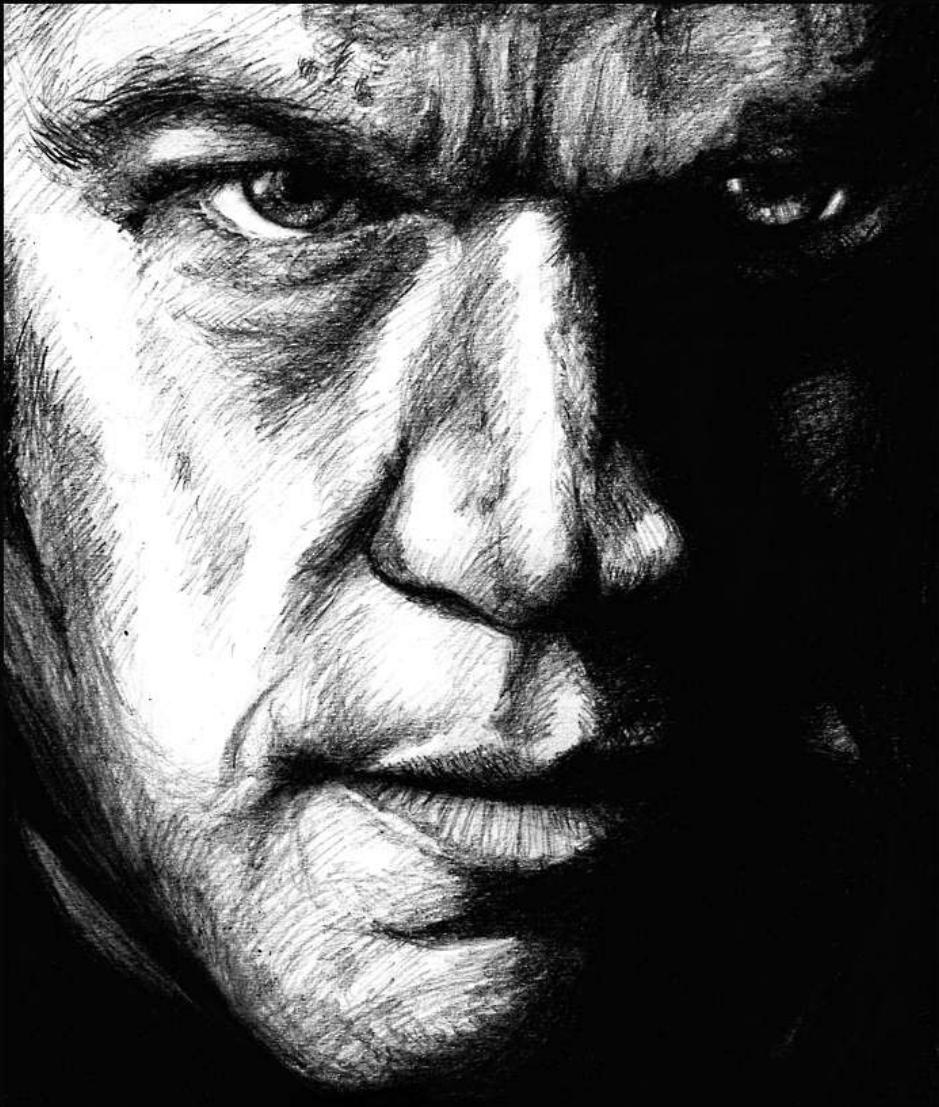

You're not your job or how much money you have in the bank. You are not the car you drive. You are not the contents of your wallet. You are not your fucking khakis. You are not special. You are not a beautiful or unique snowflake. You're the same decaying organic matter as everything else. You're the all-singing, all-dancing crap of the world. You are all part of the same compost heap. — TYLER
